## Instructor: Tim Hetzner

The instructor is Tim Hetzner, President / CEO of Lutheran Church Charities. Tim has been teaching in-depth Bible Studies for over 35 years. He has studied in Israel and led study tours to the Middle East. His textbook is the Bible! This course is non-

denominational – as Jesus was! This course will be brutally honest in presenting Jesus and Jesus's interpretation of the Bible.

This course is open to all people regardless of their faith background, or lack of. It will be taught three times live on Mondays but will also be available on the internet for those registered.

The course starts September 10th! Registration is required.

Go to [www.LCCWord.com](http://www.LCCWord.com) for more information and to register.

## Our Textbook:

Our textbook for the course is The Bible. We use the Bible – an ancient text, a living text – and we try to enter it, not only to decipher it, but to penetrate it, to become part of it, similar to the way every student becomes part of a teacher's texture. We approach the Bible with fervor and passion as each page is unique. We see history in it. We see revealed truth in it. We see in it human folly as much as Divine Inspiration. Wherever you open it, any page, you know that you are in the presence of something that exists nowhere else.

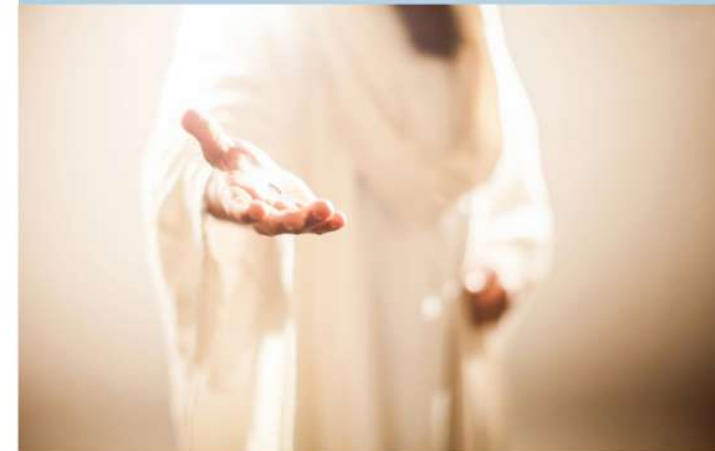

All classes at a given location will cover the same lesson materials. This gives you the flexibility each week to go to the class that best fits your schedule.

Classes will also be available over the internet. You can watch online at any time through our archives (full video or audio-only stream).

## A Life-Changing Journey Through The Bible - Cover To Cover

### What is WORD Bible Studies?

WORD is a ministry which makes available and conducts in-depth Bible study programs for adults.

Its goal is to equip people to understand the “big story” that unfolds in God’s written Word, to discern the themes that surface within that big story, and to bring people face to face with the Mind, Method, Manner and Ministry of God’s Eternal Living Word, Jesus the Messiah. Although the major focus of the WORD study programs is the Biblical text, its presentations draw also on insights offered by archeologists, historians and scientists.

### In WORD Bible Study you will receive

over 30 weeks of instruction directly from the Biblical text. Also, you will be given access to the WORD online classroom where:

- 1) you can watch video or listen to audio recordings of the classes for review of previous classes or make up missed classes;
- 2) you can download hundreds of pages of supplemental material specifically prepared by Tim Hetzner, course instructor, to deepen your journey through the Biblical text.

### WORD Bible Study Requires:

1. Advance Registration
2. A \$65 individual registration fee per year (\$80 per couple)
3. A commitment to personal study of the text

## Who is Jesus? – According to Jesus!

No other person has impacted human history like Jesus. No other person has lived like Jesus, made claims like Jesus or performed miracles like Jesus. No other person has been followed in the past or present like Jesus. No other person has been more misunderstood than Jesus! This begs the questions, who is Jesus really?

Documentaries on the History Channel, news anchors, televangelists, preachers, politicians, self-proclaimed prophets, your parents, your crazy uncle, all have their theories and opinions. How are we supposed to make sense of it all?

Beginning with Jesus’ Sermon on the Mount, this course will be an Investigation of Jesus, letting Jesus interpret Himself and scripture. Too often our understanding of Jesus comes from the doctrine and theology that we were taught and Christians, all reading the same Bible, come up with so many differing and conflicting views of Jesus and what the will of God is.

So who is Jesus really?

This course will ....

- Let Jesus interpret Scripture and Himself.
- Explore the Mind, Method, Manner and Ministry of Jesus.
- Allow you to see the Bible as an inspired dialogue between God talking and Man talking (and sometimes man contradicting what God has said).
- Let Jesus interpret God’s Ways.
- Disarm Scripture and learn to read the Bible like Jesus did.
- Help you see the “Word of God” is a person, not a manuscript.
- Help you see that the Bible is a record of Truth, but not the source of truth .... Jesus is!
- Help you see that the central theme of the Bible is Jesus!
- Show you the Mercy and Compassion of Jesus.

This course could be radical to your thinking and life changing to your understanding of Jesus!

Jesus asked the question “Who do you say I am?” Matthew 16:13

This course will help you answer that question!
